

Around **9,000** dogs are put to sleep by Local Authorities in the UK every year.

On average, that's **24 dogs euthanised** every day.

An increasing majority of these 'death row dogs' are now **Staffordshire Bull Terriers & SBT crosses.**

These dogs do not deserve to die.

So, what can **you** do to help?

If you're on the look out for a new furry friend, make it a rescue dog!

You can find Staffordshire Bull Terriers needing homes at the following websites:

Did you know...

Staffordshire Bull Terriers

are being **over bred** in the UK?

This is resulting in thousands of them ending up in Council "pounds" every year, many of which are then **PUT TO SLEEP** for want of a home.
